Subject: For the next couple of weeks

Just wanted to let everyone know. I heard from Vicky this morning and she may be out for the next couple of weeks. Karen and I are splitting duties. I am acting for Vicky so Karen can concentrate on Dimock issues.

If there is anything hot please let me know so I can communicate issues up to Jon C

I am going to send Vicky flowers or a fruit basket - if you would like to contribute stop by

Thanks
Bill
